

SUNDAY—March 12, 2017—PIVOT POINT: LEARNING EVOLVED: FLIPPING THE CLASSROOM

Fantastic Sams Training Center, 6901 E Fish Lake Rd, Suite 170, Maple Grove, MN 55369

Daniel Dunworth

Attendees will receive 7 hours of Instructor Teaching Methods CE credit.

SUNDAY 3/12/2017
 Registration 8:00am
 Session from 8:30am—4:30pm
 Lunch on your own

This 7-hour program will provide an inside look at the latest in education strategies used in successful learning environments. Educators will learn how to reverse the roles of a traditional lecture-and-homework-based environment to a more learner-centric environment. You will consider a) how learning has evolved; b) the value of doing things different, and c) of doing different things to work with students today. Learn the four steps involved with flipping classrooms; including how to plan, record, share and coach. Daniel will present tips and resources to help you succeed as you transition from lecturer to 'guide-on-the-side'.

With over 10 years of professional cosmetology school experience **Daniel Dunworth** brings high energy, passion and a drive to help educators, students, and professionals reach their full potential. His background includes positions as a cosmetology educator, student salon manager, school director and corporate trainer. Currently as a Pivot Point Int'l, Field Educator Daniel shares core values of Pivot Point education and methodologies. With his inspiration and passion for blending technology with education he has helped thousands in the industry maintain a modern approach to creating beauty. **Instructors will receive 7 teaching method CE credits.**
