## CWF STORIES

“Thank you very much for the reimbursement check. With all of the unexpected expenses it was greatly appreciated! I have completed the chemo treatments and am looking forward to accelerated blood counts and renewed energy. I am thankful to all the people who have helped me in so many ways! “Thank you, Jo

“Dear friends at the Cancer Wig Foundation, Thank you so much for helping me pay for my wig. I appreciate it so much. I am nearing the end of 18 weeks of chemotherapy and have two to go out of six treatments. I am doing well and anxious to be done. Wearing a wig has helped me feel confident enough to go to work and get out in the public. It has made a big difference in my life. Thank you so much!” Gloria

## CWF THANK YOU

“Thank you for the beautiful card and for the thoughtful contribution to the Cancer Wig Foundation in memory of my sister. Nancy had gorgeous red hair, and I know she would appreciate being able to help others with such a gift. Thank you sincerely for your kindness at a time when it was deeply appreciated.” Mark

*Helping cancer patients  
in Minnesota since 1990*

The Cancer Wig Foundation, Inc. was started in 1990 to help cancer patients with the cost of a wig or cranial prosthesis and to fill the gap for patients who are uninsured or those whose insurance does not cover the cost of a wig for temporary hair loss due to medical treatment. Since its inception the CWF has helped more than 3,000 individuals in Minnesota.

Your donations help CWF continue its mission in helping cancer patients with partial reimbursement a wig or prosthetic needed for medical hair loss caused by cancer treatment. Minnesota residents must apply and qualify to be eligible. Reimbursements are made on a first come, first served basis as funds allow.

The Cancer Wig Foundation, Inc., is a 501(c)3 non-profit organization. All donations are tax deductible as a charitable donation.
